English Synopsis	<p>This snackbar, owned by Ali, in a suburb of a large Dutch city is a refuge for the local Moroccan youth. They are ferocious, violent and criminal. To them Ali is like an old, trustworthy Turkish uncle; understanding, funny but also strict. But what if Ali, with his addiction to backgammon jeopardizes all of this? Snackbar is a film, which is as hard, funny, tragic, wild and unpredictable as life itself.</p>
